Let *Your* Campers
Know the Joy of
Real Foot Comfort

CAMP DIRECTORS who have the health and happiness of their charges at heart insist on *Bass Moccasins* as part of their camp equipment, because they know from experience that these *Genuine Moccasins* are the most comfortable and most practical of all camp footwear. They are built for the purpose and have all the inherent comfort of the original Indian Moccasins from which they are patterned.

Specify *Bass Moccasins* for *your* campers this summer and let them know the joy of real foot comfort.

Authorized Camp Fire Girls' Moccasin

This Bass Style has the official endorsement of Camp Fire Girl executives and has been adopted as an Authorized Camp Fire Girls' Moccasin. Made in Smoked or Brown Elk. Popularly priced at $5.00.

Write today for Bass 32-page illustrated catalog of outdoor footwear for every purpose.

Director Wanted

WANTED, organizing director fully able to develop large following. Will give right man forty to fifty percent interest without cash investment.

The camp is well known and was founded more than ten years ago. Beautiful property, fine buildings, fully equipped for seventy-five people. This offer made because the present director wishes to be free to travel to make an educational survey of recreational work in this country and abroad.

Address:

FRANCIS KESSLER SERVICE AGENCY
5520 Clemens Ave., St. Louis, Mo.
